

Returning UAM

Support and Coordination Unit

- *Travel Coordination Section and Embassy Liaison Section*
- *Travel documents*
- *Organized reception and family reunion*

Returning to Yerevan

The SMB is working systematically to consider the "best interest of the child" through an "impact analysis" method

- Family mapping/ID through interviews*
- Verify identity and citizenship*
- Finding the relevant party with the mandate to arrange orderly reception or family reunion.*
- Planning and executing the return of the UAM to country of origin*

Different strategies and challenges

Countries with large caseloads and countries with small caseloads can/will require different strategies

Each country has its unique challenges and every case is different

Deportations

or family reunions?
